

MOLD SERVICES

If you have had water issues in your home, it is very likely mold issues will follow.

AIR QUALITY TESTS

\$50.00

No Demo Mold Remediation will take an air sample inside your home and send it to an independent accredited lab who will provide an evaluation of the total mold counts as well as the types of mold captured in the sample. This evaluation along with analysis from a microbiologist will be provided to you by No Demo Mold Remediation within 5-6 business days of the sample being taken.

MOLD REMOVAL TREATMENT

Using its patented demolition free mold remediation system, No Demo Mold Remediation will eliminate any mold issues from your entire home and provide a protection so that mold will not return. The price for this service will depend on the size of your home and severity of the mold issue. Give No Demo Mold Remediation a call and they will come out and provide a free estimate.

“NO DEMO MOLD REMEDICATION WARRANTY”

Unlike other mold remediation companies, No Demo Mold Remediation provides a warranty for mold remediation services as long as all water issues are resolved at the time of treatment.

DRY FOG TECHNOLOGY

Dry Fog Technology is the most effective and affordable way to disinfect and clean a home with high mold levels. Unlike traditional tear out and rebuild methods, dry fog requires no demolition and is safe for people, pets and the environment.

Using InstaPURE as the dry fog agent, the mold in your home won't simply be covered up or moved around, it will be eliminated. Filling a home with InstaPURE will allow this EPA approved cold sterilant to get into every nook and cranny of the home without any painstaking labor. In just hours a mold filled home can be safe again.

EverPURE is the second step in the No Demo Mold Remediation demolition free remediation process. It provides a microbiological barrier to all the surfaces in your home and helps to prevent any future mold growth. This new technology allows No Demo Mold Remediation to provide a warranty on its services that no other Mold Remediation company can provide. You can rest assured knowing the EverPURE treatment will keep your family healthy for years to come.
